

CALDER

4287PN

SMALL PENDANT

The design of this pendant flows from its name. In Gaelic, Calder means "Rocky Water" and the sculpted cut-outs in the ceramic shade allow the light to stream out in a rippled pattern. A two tone version combines rich Oil Rubbed Bronze with luxe Heritage Brass and jute rope for a layered, organic feel while the White with Polished Nickel design features a clean, crisp metal stem for a more contemporary look.
