PRODUCT DETAILS:

- Suitable for use in dry (indoor) locations as defined by NEC and CEC. Meets United States UL Underwriters Laboratories & CSA Canadian Standards Association Product Safety Standards.
- Classic, elegant lines and timeless details enhance a traditional space
- Merging modern and classic elements, the Galerie collection offers a selection of LED ceiling and sconce fixtures with unique details that effortlessly balance a variety of spaces with form and function. The complementary contours, materials and finishes allow each silhouette to be used in unison or easily combined with other Galerie pieces.
- Shade has three-prong mount resting on lower diffuser allowing easy tip-off, no tool lamp change. Fixture design promotes natural convection to extend LED lamp life.
- Diffusers are made of high transmittance, high diffusion, color stable LDA-filled polycarbonate to maximize delivered lumens
